ABOUT US

Paper Paper *on Papirøen.*

In the heart of Copenhagen's harbour, on Papirøen, you'll find Paper Paper. A venue where raw industrial character meets warm hospitality, & the pulse of the city meets the calm of the water.

Our approach is simple: the spaces are shaped around the people & the occasion – not the other way around.

OUR APPROACH

At Paper Paper, *your vision sets the direction.*

Both rooms can become whatever you envision: a meeting for a few or a conference for many, a long-table dinner, a standing reception, a product launch or a summer party that runs late into the night. The choice of the space depends on your event and the atmosphere you want to create. We tailor the layout, lighting and details to bring your vision to life.

A 3

Bright & raw

A blank canvas defined by large glass façades, concrete floors & exposed columns. Long curtains let you close off the room for a more intimate atmosphere or open it up completely.

A 4

Warm & homely

Green-golden floor-to-ceiling curtains, soft light, details & small alcoves along the walls that invite closeness & conversation.

Room to *focus.*

Meet in natural light at A3. There is room for everything from the small strategy meeting to the large conference, & we adapt the rooms to your programme, whether it's a half or a full day.

Attentive, personalised service, modern AV equipment & crafted cuisine. We take care of the details, so you can focus on the content.
